ABOUT TEMPLATES Templates are displayed in the order of the projects. Grain direction is indicated with three parallel lines. Solid lines are cut lines, dashed lines indicate where the folds are when accordion-folding paper to make continuous petals or shapes that are folded before cutting (e.g., #14, #16). Broken solid lines indicate cut lines for templates that are used full size and also used cut down (e.g., #7, #9). Some templates require enlarging where noted.
